The Park - Cascais Residences | Under Construction | Aldeia de Juzo, Cascais

About

This commitment to sustainability and well-being is reflected in the award of the Well Residences pre-certification, a worldwide recognition of excellence in quality of life.

From large terraces to private gardens, the typologies range from ground floor T2 and T3 in the Garden category to T2+1 and T3+1 duplexes in the Terraces category, where the double-height social areas and panoramic solariums provide a sense of freedom and connection with the outdoors.

Located just a short distance from the centre of Lisbon, it enjoys excellent access. Nearby you'll find a wide range of cultural, gastronomic, school, sports and leisure centres, as well as high-quality health infrastructures.

The project promotes a dynamic and healthy lifestyle, but also values mobility and sustainability. It is a space where family life and socialising are encouraged, providing an ideal environment for those looking for the perfect balance between nature and modern life.

Caracteristics

Status - Under Construction
Types - T2 to T3+1
Areas - 101.81m^2 a 162.79m^2

Energy efficiency

Energy Rating is an index of thermal performance of a building, indicating the levels of heating and cooling in winter and summer buildings that achieve energy rating A or B are more comfortable to live in and have lower energy bills.
