

Secret Garden Villas | Under Construction | Campo de Ourique, Lisboa

About

With only 11 villas, the project prioritizes natural light, spacious areas, and harmony between interior and exterior. The three- to six-bedroom villas feature generous areas between 555 m² and 652 m², spread over three floors and a rooftop with a swimming pool. Each residence includes a private pool, terraces, gardens, elevator, and multifunctional underground garage.

The interiors reflect a discreet elegance, marked by clean lines, noble materials, and large floor-to-ceiling windows that flood the spaces with natural light. The private elevator and multifunctional underground garage reinforce functionality and comfort in every detail, in a unique living experience marked by privacy and permanent contact with nature.

Located in one of Lisbon's most charismatic neighborhoods, Secret Garden Villas benefits from a unique setting. Campo de Ourique is a true "neighborhood within the city," known for its family atmosphere, traditional shops, and signature restaurants, which coexist with contemporary concepts and elegant boutiques. Here, Lisbon's authenticity meets modern sophistication, in a perfect balance between tradition, comfort, and quality of life.

Energy efficiency

Energy Rating is an index of thermal performance of a building, indicating the levels of heating and cooling in winter and summer buildings that achieve energy rating A or B are more comfortable to live in and have lower energy bills.

Characteristics

Status - Under Construction
