Freedom | Under Construction | Arroios

About

The result of the renovation of a former 1940s garage, Freedom transforms the past into a new urban lifestyle. A building with character, where its industrial heritage is preserved and balanced with natural light, greenery, and common areas that invite residents to experience the city in a relaxed and dynamic way.

Comprising 23 apartments, ranging from studios to two-bedroom units, with floor areas between 56.6 m² and 158.7 m², all featuring private parking and electric charging stations, the project was designed to meet the needs of young urbanites, combining functionality, comfort, and modernity.

Outside, landscaped areas and versatile spaces allow for working, relaxing, exercising, or socializing. It also includes a pet station and a washing area for bicycles, surfboards, or strollers, reinforcing a practical and relaxed lifestyle.

Just a few minutes' walk from the Alameda Garden and with the Praça do Chile metro station only 2 minutes away, Freedom benefits from a central location, surrounded by shops, services, and a diverse range of dining options.

Freedom is more than just a building. It's a free-spirited lifestyle in the heart of Lisbon.

Caracteristics

Status - Under Construction
Types - Apartments
Types - T0 to T2
Areas - 46.4m² a 135.9m²
Year of Construction - 2027

Amenities

Pre-installation of electric vehicle charging stations
Fully equipped kitchen
Parking
Terrace
Garden
Elevator
Balcony

Energy efficiency

Energy Rating is an index of thermal performance of a building, indicating the levels of heating and cooling in winter and summer buildings that achieve energy rating A or B are more comfortable to live in and have lower energy bills.
