

LX LIVING | For Sale | Campolide, Amoreiras

Lisboa - Lisboa

About

LX Living is a new development, located in Amoreiras, a very sought after residential area in the center of Lisbon. With a privileged location, in the heart of Lisbon, in one of the noblest locations of the city, and very close to the prestigious Av. da Liberdade.

The stunning contemporary building, designed by one of Europe's leading architects, is characterized by its impressive cantilever-style balconies and consists of 150 luxury apartments, commercial spaces on the first floor, a landscaped interior plaza, two swimming pools, a gymnasium, a spa and two restaurants.

Great opportunity for investors who want a guaranteed Yeld of 5% X 3 Years.

The apartments that make up LX Living are arranged in two separate buildings, connected by a landscaped interior plaza, and are equipped with five independent elevators. The different types of apartments available were carefully chosen to meet the needs of the market:

T0: apartments from 43 to 47 square meters

T1: apartments from 54 to 71 square meters

T2: apartments from 80 to 105 square meters

T3: penthouses from 132 to 153 square meters

T4: penthouse of 177 square meters

All apartments include spacious contemporary-style living areas, open kitchens, and luxury finishes. They also include the following features:

- One secure garage parking space per apartment
- Three and four bedroom apartments are entitled to two parking spaces in the garage
- Luxury finishes include solid wood flooring and stone countertops
- Equipped with refrigerator, oven, hob, dishwasher and washing machine
- Equipped with air conditioning and double glazing

All residents, owners and tenants will have full access to a range of amenities and services commonly available in luxury hotels:

- Fully equipped gym and spa
- Two swimming pools
- Ample underground parking
- Two restaurants and a bar
- Garden and rooftop terrace
- Several lounges, breakout areas and meeting places
- High-speed fiber connection throughout the building

Expected conclusion of work: June 2023
