Lisboa - Lisboa

## About

Distrikt is a cutting-edge residential development in the heart of Parque das Nações, one of Lisbon's most modern and dynamic areas. The entire project is based on a commitment to creating attractive and functional spaces, adapted to the environment, the city and the future of the planet.

Their spacious homes stand out for their large balconies, allowing a perfect connection between the interior and exterior, where natural light floods the spaces and the view over the Tagus becomes a scene of tranquillity. The design isn't just aesthetic; it's functional, sustainable and forward-thinking, guaranteeing a house in perfect harmony with nature and the city.

The feeling of spaciousness is constant, and extends to an elevated green area with swimming pools and garden spaces.

The proximity to the Tagus offers an incomparable quality of life, where the fresh air and gentle breeze of the river combine with the energy of a city in full growth.

Distrikt is not just a place to live, it's an invitation to a different lifestyle, where architecture and the environment meet. It's the place you've always wanted to live.
