About

Magnificent manor house in Mafra

There are places that speak for themselves -and this is one of them. With 120 hectares of stunning countryside and a manor house where every tile, stone and carving tells centuries of history, this is a haven of charm and authenticity. Here, the details are not just decorative - they are living testimonies to a noble past.

In addition to the main house, the property has several buildings with potential for multiple uses - whether for tourism, events, agriculture or housing. Only with a visit can you truly feel the unique character of this space and imagine how you can give it a new life, tailored to your needs.

Energy efficiency

Energy Rating is an index of thermal performance of a building, indicating the levels of heating and cooling in winter and summer buildings that achieve energy rating A or B are more comfortable to live in and have lower energy bills.
