

Frederico Neto

Real Estate Agent RE/MAX Siimgroup (Avenidas Novas)

I've been working in Real Estate since 2001 and I've always been connected to Remax and Siimgroup.

In these 22 years of experience, the market has changed a lot and has undergone all kinds of changes and upheavals.

For that reason, I have to be always up to date, through training, and attentive, in order to anticipate what the future may bring.

As a result, I am able to provide an excellent service to all customers.

During the course of my career, and due to my professional performance, I have been awarded consecutively, both nationally and internationally.

Therefore, I can help with the most important decision most people have to make in their lives: the purchase or sale of their home.
